Dependent Insurance Coverage

Medical and Mental Health Benefits

The Stanford Student Dependent Health Insurance Plan is a PPO plan administered by Health Net of California. The policy covers pre-existing conditions. The policy year is September 1 through August 31.

www.healthnet.com/cardinalcare

Cost

Premiums for the Stanford Student Dependent Health Insurance Plan are paid directly to Health Net of California by the subscriber/enrollee on a monthly basis.

Monthly premium charges for dependents are as follows:

Type of Plan	Monthly Premium 2018–19 Plan Year
Spouse or domestic partner	\$411.30
Child	\$210.08
Children (2 or more)	\$375.55
Spouse + child	\$621.38
