Dependent Insurance Coverage

Medical and Mental Health Benefits

The Stanford Student Dependent Health Insurance Plan is a PPO plan administered by Health Net of California. The policy covers pre-existing conditions. The policy year is September 1 through August 31.

The 2015–16 Stanford Student Dependent Health Insurance Plan Brochure outlines highlights of the plan.

See the Summary of Benefits and Coverage for the 2015–16 plan year (which began September 1, 2015).

Net of California by the subscriber/enrollee on a monthly basis.

Monthly premium charges for dependents are as follows:

Type of Plan	Monthly Premium 2015-16 Plan Year
Spouse or domestic partner	\$358.13
Child	\$182.92
Children (2 or more)	\$327.00
Spouse + child	\$541.05
Spouse + children	\$685.13
